an evening of classical music

The Inaugural Bollinger Champagne Concert featuring Ensemble Antarctica

Ensemble Antarctica, a recent addition to the Sydney classical music scene will be performing at Tattersalls Club next month.

After working with the Sydney Symphony, Australian Chamber and Australian Opera Orchestra, Matthew Coorey gathered Ensemble Antarctica from his colleagues in these three more prominent groups. They have been performing professionally since 1997 and have shown their capacity for both modern and classical orchestral music. The Ensemble for the Bollinger Concert at Tattersalls will comprise twenty players.

Make your bookings now, as only 200 tickets will be available. Tickets are already selling fast for what will certainly be a memorable evening.

Following the stunning success of the Guest Chef's week with Bill Marchetti in early February, Tattersall's is proud to announce that Guillaume Brahimi, Executive Chef of the Quay Restaurant (formerly Bilson's) at The Rocks will be your Guest Chef for the evening. You may be aware that Guillaume is a fellow Club Member and that the Quay Restaurant has also joined the ranks of Tetsuya's, Forty One, and MG Garage by being awarded the coveted Three Chefs hats in the Sydney Morning Herald's Good Food Guide. The restaurant has also won additional recognition by being awarded "Best French Restaurant" in the same publication.

racing calcutta

For Members already familiar with the Racing Calcutta Dinner, you will agree that the evening is always enjoyed by all, particularly for tables that select the winning horses.

If you are new to our Club, or just haven't attended a Calcutta evening and are not sure how it actually works, rest easy. Ample instructions are provided on the evening to ensure that a good time is had by all, but in a nutshell, the Calcutta works along the following lines:

Each table is allocated a horse by raffle, which will race in the Golden Slipper in the following week.

Following dinner, all horses are auctioned.

Half of the "selling price" is given to the owner of the horse, and the other half is pooled. What this means is that if you buy the horse that you own, then you only need to contribute the pooled component.

The final amount raised determines the eventual

prize money, and is dispersed to the owners of the 1st, 2nd and 3rd placed horses in the Golden Slipper.

Members should note that these prizes are dispersed only when all moneys have been received.

Special guest will be well known racehorse owner Nick Moraitis.

Why not bring your friends and colleagues along for what is always an excellent evening.

Date:	Tuesday 23rd March 1999
Time:	7:00 for 7:30pm
Dress:	Black Tie
Cost:	\$95.00 per person
Includes:	Three-Course Menu

Great expectations

Nineteen ninety-nine certainly got off to a great start when nearly two hundred Members booked into the Tattersall's New Year's Racing Day Luncheon at Randwick. The attendance was twice the number normally booked, and is a positive sign that our Club is returning to a level of pre-eminence in the racing fraternity.

Following such a successful start to the year, may I recommend that Members' read the "1999 Events Calendar" displayed in this newsletter, which has been organised to deliver to you an exciting range of events encompassing areas of interest in sport, business and culture.

For example, we're holding an evening of classical music in March with a full orchestra. We're also developing a series of Business Lunches which already include as guest speakers, the NSW Police Commissioner Mr Peter Ryan, the Chief Justice of the High Court His Honour Justice Murray Gleeson and Telstra Chief Executive Mr Frank Blount, together with our traditional events such as Sports Lunches and the Snooker Calcutta.

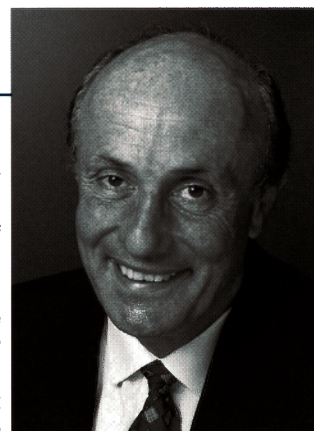

Members who attend our next Black Tie Boxing evening in May will also notice a lifting of performance standards as we welcome the Police and Community Youth Clubs NSW into our fold. This group,

devoted to supporting (amongst other activities) amateur boxing in NSW, will be supplying a complete range of boxers (over 18 years of age) from PCYC Clubs throughout NSW in all weight divisions. They will be contesting the newly created Tony Madigan Trophy.

I hope that you enjoy this latest copy of your newsletter. You will notice that we have made some format and style changes in an endeavour to maintain our program of upgrading standards in all areas of the Club.

Your Committee and management are all committed to making this Club the finest in Sydney. Please do not hesitate to share any good ideas you may have concerning the Club with your Committee or the Club Secretary.

Regards
Denis Cleary

All races handicapped and handicaps are adjusted regularly to keep "burglary" to a bare minimum and to make all ages and standards welcome.

Tuesday is the 50m sprint heats and Thursday has 100m races as well as the final for Tuesday's 50m winners. Each month a winner is declared in each event and he collects a worthwhile prize thanks to Manchester Unity, the Swimming Club's generous sponsor.

Come to the pool soon to register and trial for your handicap time. Racing starts at 1:15pm.

Swimming Presentation Dinner:-

don't FORGET that the presentation of awards for the 1998 season will be held on Wednesday, 24 February 1999. Call the office on 02 9264 6111.

Bowling news

Turf Bowlers Carnival 14-18 March

This time has been selected to beat the cooler weather, and to fit in the only race meeting suitable for our time frame.

Canberra Rex Hotel has been chosen to meet all our accommodation needs. This hotel proved most satisfactory at our last carnival and it's standard has been maintained. The cost at this time is \$78.00 per room per night, single, twin or double. For an extra person, a charge of \$15.00 will be made.

Canberra City Bowling will be the venue for the carnival. This Club is close to the hotel, has three greens and minimises the cost of transport. Other facilities are appropriate for our needs.

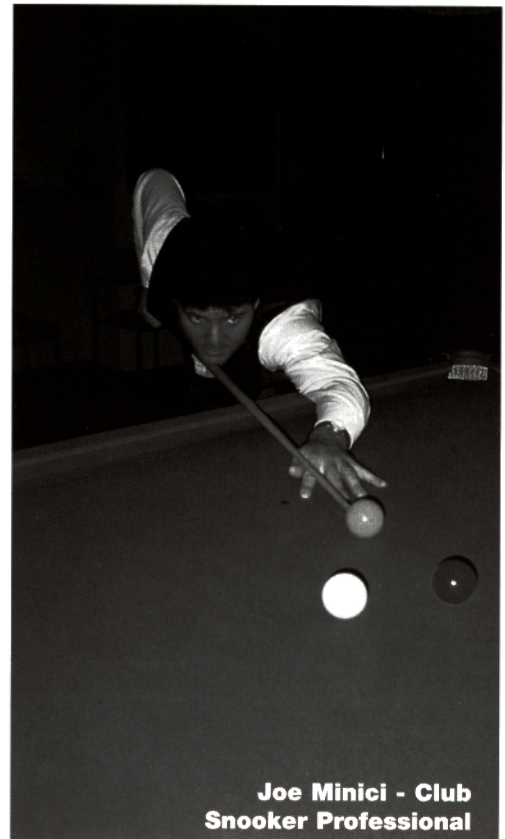

Goulburn Racing Club has programmed a T.A.B. Meeting for Tuesday 16 March 1999. As Goulburn is some 80 kilometres from Canberra we are faced with extra travelling time, and expect to meet the extra cost within the budget.

Capitation Fee has been set at \$110.00. If you would have any queries, or would like to make a booking, please call me on Ph. 9953 3021

The Hahn beer making process

An Evening with Chuck Hahn

Master Brewer Dr Chuck Hahn generously hosted an excellent beer tasting late last year. Well known for his Hahn range of beers now made by Tooheys, Chuck has recently branched out under his own steam to launch "James Squire", a new gourmet beer.

A full Dining Room sampled their way through no less than eight different beers, as Tattersall's Executive Chef Ian Jenkins and his team produced a tasty seven course menu degustation.

Chuck matched each course with a suitable beer including Hahn Premium Light and Regular, Tooheys Dry, Old Black Ale and Draught, James Squire and Carbine Stout. Whilst not all beers were strictly of a gourmet or bouquet nature, Chuck's main intention was to allow Members to enjoy beers that they were already familiar with in a different context, as well as enjoying new and different beers.

From all accounts, the evening was such a success that another date has already been scheduled for later this year.

new year's race day

190 Members and their families enjoyed a great day at Royal Randwick Racecourse on New Years Day as Tattersall's held one of it's two racing meetings.

Once again, a terrific Buffet Luncheon was presented by the AJC, and as Bob Sanders commented on the day, it was terrific to see such a healthy turnout.

Many thanks go to our neighbours at "Tatt's" for their generous support in providing Lucky Door Prizes. In particular, we refer to Vince Maloney (fine quality gentleman's tailor) who donated a \$250.00 gift voucher and One to One Salon (excellent hairdresser) who provided an Indulgence Package.

Both shops are located on either side of our main entrance.

Members may recall that New Year's Race day functions have traditionally been held in the Vice Regal Room. Due to the larger than expected numbers this year, the function was moved to the recently refurbished Vista Room, overlooking the Winning Post.

Following the success of this day, bookings for next year's New Year's Race Day Luncheon have already been made for this room, to allow more members the opportunity to take advantage of this great day at the races.
